Fill out each section if the information is missing. Most information can be inputted throughout the year in your activities section.

Submit For Review: This button will submit your Self-Evaluation once you are complete.

Save and Go Back: This button is your save feature; you may save as many times as needed up until the due date. Please note your evaluation will not be submitted if you only use the save button.

Preview CV: This button is used to see what your evaluation will look like to whomever is evaluating your evaluation.

If there are any sections that say, “Activities require your attention,” what you need to do for those is the following:

- 1. Under the “Actions” column, update the information of whether the activity is still ongoing, or it has ended. (For Scholarly Publications, state whether the work has been completed, is in progress, submitted, etc.)
- 2. When finished reviewing and updating, click the “Update” button at the bottom of each of these sections.

Update

At the bottom of your application you may add any additional supporting information. If you save, you can come back to the evaluation and add more documents until you submit.

▼ **Supporting Information**

 [Help](#)

The tenure/promotion file may contain, depending on department policy or practice and on the applicant's desire for full and complete presentation of relevant information, documentation beyond that specified in Items 1-16, above. Such documentation may include copies of articles or similar scholarly works, fuller documentation of creative works, and other supportive information. Such supportive information should be uploaded and appropriately cross-referenced. When not readily available electronically, full documentation should be provided whenever possible.
