Application continued
Describe the benefits of your proposed sabbatical/professional development leave to the University and your discipline:
Describe the anticipated results from the proposed sabbatical/professional development leave:
Report any anticipated supplemental income to be received during the sabbatical/professional development period, plus the form/nature and source of the income:
Describe what can be accomplished by your proposed sabbatical/professional development leave that otherwise could not be accomplished (eg. The need for off-site work, concentrated blocks of time, etc.) within your normal assignment and the probability of successful completion of your sabbatical goals.
Do you know if any other leave would conflict with your sabbatical/professional development leave? If yes, please describe.
